## SUBJECTS UNDISCUSSED.

---

### REVENUE.

#### EXCISE.

*(Nos. 1 & 2).*

SUBJECT No. 1.

Payment of one-half of the revenue on *toddy* trees standing on lands in private holdings to the holders thereof.

Mr. Siddagangappa, Ramasamudra Municipality.

*Summary of Representation.*—At least one-half of the excise revenue on date trees in occupied lands should be given to the land-owners since they are to take care of the trees. Hitherto they were paid less than one-half of such revenue and the contractors are getting large profit. At least one-half of the revenue should be paid to the owner on whom devolves the duty of taking care of the trees.

*Note.*—Not discussed owing to the absence of the proposer.

SUBJECT No. 2.

Sale proceeds of dead *toddy* trees.

Mr. Kenchappa, Holalkere Taluk.

*Summary of Representation.*—The sale proceeds of *toddy* trees that die of overtapping are being credited to Government. Such amounts may be paid to the *hiduvalidars* instead of being credited to Government as heretofore.

*Note.*—Not discussed owing to the absence of the proposer.

#### FOREST.

*(No 3.)*

SUBJECT No. 3.

Extending the concession of taking *bamboo* branches from State Forests for a further period of three years.

Mr. M. Subba Rao, Heggaddevankote Taluk.

*Summary of Representation.*—About three years ago, Government were pleased to order that the public may take *bamboo* branches from the State Forest without any fees, as the same were not available in the District Forests. This concession may be ordered to be extended for a further period of three years as the District Forests are not now in such a position as to supply *bamboo* branches.

*Note.*—Not discussed owing to the absence of the proposer.
